## ***Did you know?***

*What does Annuit Coeptis mean?*

The first of three Latin phrases on the back of the bill is translated as “God has favored our undertakings.” Many founders, Franklin and George Washington among them, believed that God’s will was behind the successful creation of the United States.

*Beneath the pyramid, what does Novus Ordo Seclorum mean?*

These Latin words mean “New order of the ages.” Charles Thomson, a statesman involved in the design of The Great Seal of the United States, proposed the phrase to signify the beginning of what he called “the new American Era,” which he said began in 1776 with the signing of the Declaration of Independence.
